

QUARTERS

BISLEY + ANGLEPOISE®

Quarters is a family of acoustic working booths with integrated storage and Anglepoise lighting, providing spaces for individual focused work to quiet meeting spaces.

PARTNERING WITH ANGLEPOISE

Partnering with British design icon Anglepoise, Quarters reflects their world-renowned design, with the radius of each soft panel and stitch detailing matching the iconic Type 80 lampshade.

INTEGRATED STORAGE

The specialised sound dampening panels envelop lockable storage units, ensuring that all your belongings are tucked safely away within the booths while you work.

ACOUSTIC CAPABILITIES

The specialised sound dampening panels provide a quiet workstation, bringing a sense of peace and focus to the office environment.

Recognising the need for adaptability, Quarters booths come in a variety of configurations including bench seating, sitting or standing height desks and meeting spaces, housing up to six people.

Quarters: A place to call your own
